Technical proficiency questionnaire

(Questions for this questionnaire are provided in tech_proficiency.pdf)

Fill the technical proficiency questionnaire in this link - [Click Here](#)

SecMate registration

Navigate to the chatbot (named "SecMate") in This Link, and create a SecMate account.

Make sure to use the email ID you provided above.

Instructions

You have been presented with several scenarios to troubleshoot using a chatbot.

- 1 .Please follow the instructions for each scenario (the presentation can be found in [This Link](#))
- 2 .Use English only when chatting.
- 3 .Please click “New Chat” at the beginning of every chat session.
4. All along the experiments, please BE YOURSELF, and phrase your prompts as if you really encountered the experiment scenarios in your real life.
